“ You are all in our prayers, Aiden was a beautiful sweet little boy. He touched alot of lives in his short time here on Earth. I know he is happy now in Heaven and can run and play. My granddaughter, Allie, does not walk or talk, due to her chromosome disorder so I understand how your lives were touched and blessed by Aiden. God bless all of you.

Angels

By Unknown Author

*The sky is filled with Angels
With puffy lacy wings
The remnants of God's beauty
With treasures they now bring*

*Each one of them a Guardian
That travels in the sky
To watch throughout eternity
Their parents from on high*

*Smiles that come from Angels
They fall like crystal rain
Eases earthly burdens
Lifting all life's pain*

*Halos so astounding
That glitter gold each day
Following their loved ones
In such a perfect way*

*Wings in gentle breezes
That fall from up above
Kissing every parent
With everlasting love*

*Angels soar through heaven
With everlasting light
Looking down from heaven
Saying their "goodnights"*

*Kissing all who loved them
So gently on the face
This life's tender mercy
Each parent can embrace*

*Wings and shiny halos
Travel from on high
Surrounding all their loved ones
They never say good-bye.*

“ *My sweet Biggie, my buddy, I love you so much. My heart aches for you and for your family. I am honored and blessed to have known such an amazing person. You've left a very deep impression in my heart Aiden. I will never forget you, it is impossible to forget your smile and all your Biggie-isms. Seeing you so happy with your amazing mom and dad gave me such inspiration to be the best that I could be for my boy. Your beautiful face and your momma's wit and humor made some very hard, dark days dealing with SMA tolerable.*

I love you little man.<3
