“ I remember first meeting Annie Mae about 50+ years ago when I was a teenager. We had come from Colorado to visit with Uncle Buddy and his family. She was the sweetest lady I had ever met and she made the best biscuits in the world. She was also the only person whoever called me by my middle name - Joy. She made me feel very special and I always adored her. She is one of those people (like my mom) you just don't want to let go of and you will miss dearly.
My condolences
