Lorn was a hardworking and simple man, whose life was never easy. Born with an eye condition that prevented him from seeing our beautiful world as others see it with so many vivid sights and colors. He is now sitting at his heavenly Father's feet in admiration of the divine colors and sights that surround him in Heaven. The family would like to extend special thanks to Dr. Bowen and the CCU department at ECM Hospital; as well as his special friends Jane and Jimmy and all those who loved him at Magnolia II Apartments.
