“ I loved working with Jody at Walmart and we always had fun picking and aggravating our bosses. We always had fun at work and I miss her but I know she is having fun up there in heaven where she doesn't feel no pain or anything.

“ Jody was a wonderful friend and co-worker. I worked close to her and we would chat when we were close to each other, I used to tell her she was my councilor. She and I would discuss Walmart, grandchildren, kids, day to day issues. I loved Jody because she was the same no matter where or when you saw her. I will miss her. My prayers are with the whole family. She worried about each of you and Nobody ever loved you more than she did.
