“ I got to meet Betty through one of my best friends, Wanda, Aunt Betty's beloved niece. The first time I met her, I could see that she was a soft spoken, polite, very sweet woman with not a mean bone in her body. I could see that she loved her family and they were her life. I was so sorry to hear of her passing. Soar with the angels Aunt Betty and may you rest in peace eternally.

“ Mom I could never even in a hundred lifetimes express the Love and Thankfulness I have for you. You taught Tina and I the right way to live by living right before us everyday. The things you taught me will be in my heart for the rest of my life. And if GOD someday blesses me with children of my own I will pass these GODLY values onto them.

*I Love You.*

“ Aunt Betty was like a second Mama to me and I will always miss her. She was my angel on earth and I am thrilled she is out of her pain now, but selfish in the fact that I miss her so very much. She was one of the warmest, friendliest, happiest people I have ever known and no one can replace her in my life. You are truly missed Aunt Betty!

*All my Love, your niece Wanda*
