“ I had the honor of taking care of Ms. King on several occasions and she truly was a blessing. She was a very special person that always had a smile on her face. My thoughts and prayers are with the family. She will be greatly missed!

“ My deepest sympathy for the king family. I was Betty's nurse on several occasions and we all loved her here at Citizens Hospital. The nurses would fight about who got to take care of her. We quickly grew quite attached to her. It is not often that a patient makes such an impression on not one but all of the nurses and her spirit and sweet smile will be missed.
