“ *"Momma" will be missed but I know she loved her family deeply. We'd talk about our kids daily working at Colbert Steam Plant. We use to sneak around to smoke after they banned smoking inside. We always seem to have fun and one day that's when Big Momma and Momma came about between us. Loved talking and visiting with her when we lived a few blocks away after our move we talked less and I'll miss those talks. Prayers for all of you kids and just remember momma is in a much better place. Love you momma, rest in peace.* ”
