“ I wasn't aware of Bev's death until today when I got Tootles email...I'm deeply sorry for your loss. She was a beauty! I thank God I was able to see her when Bill was hospitalized here in Peoria. She was doing very well at that time. She fought a good battle and I'm not so certain this could be considered loosing that battle...She's in a much, much better place now...I believe she won! May God's peace be with all of you in this difficult time. Just remember, she's in your heart & mind so she's not far away!

“ Uncle Harold, I am so sorry for your's and the kids loss. I wished that I could have been there but I am thinking of you and praying for you. Bev loved life and her family. She brought joy to many and I am very thankful for the time we spent together and being part of my life even though it was many years ago. I have thought of you and her often and wish now that I had called more and had been able to visit more. Life is fragile and short. Gods word tells us it is like a mist compared to eternity. She told me that she was a believer in Jesus Christ so I know that she is with him right now. I pray for your salvation as well. We do not know what tomorrow may bring. We are not guaranteed our next breath. I pray that you will find some peace and comfort in family and God's love.
