“ *To the dear Bailey family,
some of our fondest memories come from spending time with the Baileys. When I was a little girl I remember going with Reba and Brother McDougal to pick up Etoile on the mountain and going out in service. My dear brother Gene married Faye Bailey. I remember visiting Grandma Bailey in Tuscumbia. We will always remember Bobby, his love for Jehovah was an inspiration for us. We look forward to seeing him again in paradise.
Love, Linda and Donald Hunt, Reba Burke, and Tara and Gerardo Zuniga and family.*
