“ To all the Fretwell family, I am sorry for the loss of Bobby. It just doesn't seem right sometimes that we do not see or hear from each other until we see each other at a funeral, or hear about the loss of one of us. It seems like yesterday when I was a young boy in Alabama and see Bobby drive down Main street in some kind of sharp looking car. Bobby is one of the reasons that I grew up loving fast and sharp looking cars, because Bobby always had a sharp car. I think of all of you quite often. Sorry I couldn't be there for the funeral, but I am there in my heart. The Fretwells hold a special place in my heart. May God bless all of you during this time. Love Billy Johnson
