“ You will be missed by so many Mamaw. The love and care you showed to our Mother when she was so sick showed the woman you were. You probably never knew how much it was appreciated, but it was. Although we weren't all that close due to us (your step children) all being grown with families of our own you were the best Stepmother. You were loved. Jennifer, we love ya girl and I am so sorry for your loss. My thoughts and prayers go out to all of you.
