“*Craig is my nephew, what a great guy he was. He lived with our family for many years. As a teenager he always gave all of us many smiles, laughter till our ribs hurt!! One winter we had a terribly cold spell, blowing snow. We had a small stable about a mile away, every morning and night for 3 days, he went to the stables watered and fed 12 horses. I wasn't feeling well and he never complained. He lived in Michigan and Louisiana with our family, met his love of his life, Dixie. We had the wedding party at our place! He never had an ill word towards us. We all will miss him.*
