“ *Dear Misti, Brandon, and Diane:  
I am sorry to her about the recent passing of Dave. Today, I have spent a lot of time thinking about him. From the great sandbox that he build for Brandon and I, to our rides to the Kankakee Speedway on Friday nights to all of the sleepovers at the house on Michigan Avenue eating pizza roles and driving Misti crazy. He was quite a character and always treated me like one of his own.  
Just wanted you to know my thoughts were with you on this difficult day.
