“ Donna was my best friends mom. She was so kind hearted . Donna and Tasha had a relationship that every little girl wants. A best friend, a 💎hero. Donna was very compassionate when it came to me losing my mom last summer. Donna left way to early with so much to offer .I wish I could have known her better. But the visits that she would make during summer up to TN . I would try and make sure I had Roger his fried green tomatoes. As well as many conversations between Donna tasha and me. The memories will forever be with me . You can now meet my mom. Y?all enjoy your coffee and smokes. I love you. I will make sure I look after Tasha.💎
