“ Joy,
I was so sorry to hear of your mom's death. She was such a wonderful person. She loved her family and was so proud of all that they accomplished.
I have wonderful memories of her. What a beautiful smile and attitude she had. She had such a gift of making everyone feel special and loved.
My prayers are with you and the family.

“ Joy,

Your Mom was so special to me as a child. She was simply beautiful (inside and out)! She told me once "Always smile and you won't have wrinkles". And I always tried to do just that. My prayers are with you during this sad time.
