“ Aunt Dot was a compassionate, intelligent woman with a wonderful sense of humor and devotion to family life, faith, and learning. She became a professional educator, returning to college to finish her education when her youngest child was four years old. She graduated with honors from Keene Teachers College and taught in New Hampshire at the elementary level before moving with her family to Arizona, where she earned her master's degree and furthered her career, giving the gift of knowledge and skills to young people. Dot treated her in-laws as well as nieces and nephews with kindness and respect. We no longer have her among us but we have her example of good cheer, fairness, and quiet dignity.
