Dorothy was one of 9 children, and she had a servant's heart that wanted to take care of everyone. She loved to work in the yard and loved the outdoors.

“ My Precious Mother-in-law?right now I still think it?s all a dream..I know it?s not?I always said I wanted to be like you when I grow up? 🥹you taught me what true love was? unconditional love?you taught me about forgiveness?oh how you forgave so many that hurt you? you were the one who taught me how to cook and make homemade biscuits? your sons were your pride and joy, along with all your grandchildren and great grandchildren..you loved so deep even until the day the Lord called you home?on Friday- Sunday before you passed you was still worried about others?all you wanted was to know that we were all going to be ok?once you were at peace with that , you let go?I will never stop missing you or loving you? I will keep your legacy of Love alive until we see you again in Heaven? you were the most self-sacrificing person I?ve ever known?I love you Nanny?.you were the BEST Mother-in-law that anyone could have?. You fought hard? you finished your course, you kept the Faith! Now you are resting in Jesus arms where you longed to be for so long?See you later my beautiful Nanny!!! 💔🥹
