“ I had the pleasure of meeting Dustin around 2012 as we met working alongside each other at Limestone Health Facility in Athens, AL in the Rehab Department. I have the fondest memories of Dustin being an amazing physical therapy assistant to his patients, always being kind/caring and oh so hilarious! Everyone could ALWAYS count on him for a good laugh!

My grandmother sustained a stroke around April of this year and was sent to J.W. Sommer for rehab. It was a true blessing to learn Dustin was part of the team of therapists who were assisting my grandmother in her recovery as she made a full recovery and was able to return home. Dustin kept my family informed and provided superior physical therapy services to my grandmother during her time at J.W. Sommer. I am so thankful for Dustin!

It is with such a heavy heart that I send my deepest and most sincere condolences to Dustin's children, family and friends. The therapy profession has suffered a tremendous loss. Continuing to send prayers of comfort at this time.

With Love,  
Sharda' Allen
