“ *Uncle Edwards was a dear dear man and I love him very much. He was my moma's brother, and she talked often of how special he was to her. I know they are in heaven right now having a big ole time with Momamiller and Aunt Christine and many other dear loved ones. He will be missed, we didn't see each other often enough, but I have do have fond memories. He was always very kind to me. I am praying for his family and will see him in heavem some day.*
