“ *I will miss my sister very much. Even though the miles have kept us physically far apart, does not mean she was not close to me in my heart. It pains me that I am not able to be with family at this time, I am there in spirit.*

My sister is now with God and our parents (as well as others who have passed). She will now be able to spend time with them, just as we were able to spend time with Mom when she couldn't. I shall miss her greatly. A little bit of myself has gone with her leaving an emptiness.

I will rejoice in knowing that she is truly not gone, not until all she has touched is gone.
