“ Rhonda and Shirley, there are no words that we can say that will give you peace or comfort. A part of you has been ripped away and the pain is choking. You can't breathe. You knew it was coming, but the heartache leaves you broken and alone. I wish there was something we could do to ease your suffering. You know you will see him again but right now that is of little comfort. Even Jesus was heartbroken and she'd tears over Lazarus's death even though he knew Lazarus would be coming back to life. Please know that we care, we love you, we are here for you, you are precious to Him and you are precious to us. In Jesus's name we are lifting you both up in prayer. God bless you.
