“ You have been a blessing in my life and nothing will be the same without you anymore, dear Glenda!
I will always cherish all those moments we spent together, all those laughter we shared, all those stories we told. You have not just been a friend to me, you have been a family, a home, a shoulder to cry on.
My heart refuses to say goodbye but I guess this is the way it has to be. I'll always cherish our memories together.
It's hard to accept that the crossroads of destiny is making us part.
I will miss you!
