“ Was thinking about you, In fact I think of you all the time. I wonder what it would be like if you were still around. Having stopped drinking myself I wonder why i did for so long. I had so many memories with you good and bad through a lot of things But I just was sitting here in deep thought and thinking of my past and how I only really ever had a handful of friends and you were one of them and always will be Miss you bud... Till we meet again.

“ You were one of the best friends that a person could have. I am a better person for having known you. You may be gone, but you are not forgotten. Until we meet again, Godspeed.
