“ I would like to give my sincere condolences to the family and friends of Mr. James Presley. I was not personally acquainted with him, but I am sure that he will be most dearly missed. Losing a loved one in death is a very difficult and saddening experience. However, please know that you are not alone. God takes notice of the sadness you feel and has promised that soon, no one will ever lose a loved one in death again (Isaiah 25:8). We also have the hope of being able to live happily with our dead loved ones again (Acts 24:15). I hope that these thoughts will provide a measure of comfort in this difficult time.
