“ I just learned that Skip passed. He and my husband were combat buddies in Viet Nam - a lifetime bond for sure. Sadly, my husband has dementia but I remember for him and it was an honor to know Skip. We live in Stafford, Virginia and would like to attend the service at Arlington when it is scheduled.

“ I' don't know if this will be ready by one of the 3 daughters he always told me about but I just wanted to let y'all know that your dad was the saving grace in the darkest hour of my life. I loved him like a 2nd dad. He showed me what a father is. I miss him so much
