“ *My prayers and thoughts go out to Jason's entire family. Jason was a great person with the ability to always bring laughter whenever he was around. I grew up with Jason and my childhood is filled with many memories that include Jason's jokes, silliness, and the privilege of calling him a friend. Although life takes us all in our own directions as adults, childhood memories are forever etched in our hearts. I attended school with Jason from 1st grade until the last day of 12th grade.. Hawk Pride Mountain has lost a great friend. My prayers are with Jason's entire family..Hugs, love and prayers, Kathy Pennington Burnside..CHHS Class of 89*
