“ Our prayers are with the family at this time of loss. Jerry was always a wonderful person. This Earth will be a worse place without him, but Heaven is just that much brighter today.

“ "Jerribo" was my brother-in-law's (John's) little brother. John was like a brother to me and Jerry seemed like it too. He was a good man with a heart of gold. He was always doing something for others; he was especially good to John and June (my sister) during their last days. He was always wanting to cook them something. Will always love and remember him and his thoughtfulness. Know he is now well and strong in his Father's arms.
