“ Dear Pat,
I am grateful to have seen you and Jimmie recently, when you both looked wonderful.
Please accept our sincere condolences on your tragic loss. We have all reached an age where loss is a frequent occurrence, but that makes it no less painful. 💎
Jimmie and I, being cousins, have been connected since childhood, and I remember the early days at Shady Grove when we played and picnicked on the church grounds with all our other cousins and friends. It was a wonderful beginning to life for all of us, and Jimmie was a big part of it. He and his smile will be missed by us all!
Love and heartfelt sympathy,
Wanda

“ *The family and the many friends will miss Jimmie. He was a fine person. I remember how he was an active little boy when he came to see us, he was a first cousin and we were together often, he would have a live frog, lizard or bug to scare the girls, we sure had some good times.💎*

My prayers and thoughts are with all of you. Lean on God he will help you through all this.💎

Love, Pauline
