“ Joyce, I just found out about Jimmy on Monday and am sorry I did not know sooner. He was always one of my favorite cousins, and I have such fond memories of visits to Aunt Mat's and Uncle Roy's many years ago. Jimmy and I had great fun playing and giggling together. Though I seldom saw him in later years, I always had a love for him in my heart. I am so sorry for your loss and will be remembering you in my prayers.

*Love,
Nancy*

“ I have worked with Jimmy for over 10 years from the St. Louis office and enjoyed everytime I had to call the Moulton office to talk to him because he was always cheery and a delight to talk too. He always had me laugh, and the few times I got to see him a nice big hug. He will be greatly missed!

“ I will always cherish the time I spent - mostly on the phone - with Handsome Jimmy Fleming. I could always count on him to get my metal where I needed it, and when it needed to be there. I feel honored to have known him.

“ Jimmy was one of the nicest people I have ever met. He made you feel as if he had known you all of your life. So easy going. So easy to love. I know that he will be missed by you all very much but his MEC family will also miss him. What a wonderful person he was.
