“ Joe Hester was an extremely talented, kind hearted person. We were friends at Auburn and were on the meats team together. Over the last couple of years we were able to catch up and renew our friendship. I miss his voice and those conversations. May God's Grace surround Joe's Family during this time. Respectfully, Chris Hardee

“ Joe and I talked at Coach Ray's funeral and talked about our class planning a get together in the fall. We both said we would like for that to happen. I was so shocked to learn he had passed hours after we spoke. He was a great classmate and a kind soul. He will be missed by so many!

“ My daughter showed cattle all her life and Joe was a dear friend and mentor . Our families bonded through our mutual love of cattle, kids , and horses. He spent many many hours teaching and encouraging my daughter and numerous youth across Alabama. He was a wonderful, caring coach who led young people to love and appreciate all things agriculture. God has called a wonderful cattleman and horseman to tend His livestock in heaven.
