“ I am so sorry for you and your families loss. Judy was like a sister to me. We would go for a long time without talking and continue right where we left off the next time we talked. I will miss her so much. Y'all are in my prayers. God will not put more on you than he knows you can handle. Love Susan Blackburn

“ Emily, please know that you and your family are being prayed over during this difficult time. I know that people are willing to help with anything. Your CC family is included. I know that words cannot take away your pain, but please remember all of the good things about your Mom. I know your heart is heavy and will be for quite some time. On those days call me and I will be there to cover a shift or just listen to you.

You are such an inspiration to me by the way that you care for everyone.

My love and prayers for you and your family.

“ Emily I just wanted to tell you I am so sorry! My heart breaks for you and your family. You were the world to your mom and she will be missed. I just think about all the fun times we all had and every memory I have is with you and Judy she was so hilarious and so kind. She was like a second mom to me growing up, I believe I stayed at your house more than my own and your mom always welcomed me. I'll keep you in my prayers stay strong
