“ I was so saddened to hear of Frog's passing. I have always enjoyed talking to Frog. My mom also lived in the same apartment building. We would see him sitting outside as we were leaving and returning on "beauty shop" day. My mom was 89 years old and he would always tell her how pretty she looked, he always commented on her hair, her clothes how well she matched everything. He was one of those that made her feel special. One of the last times I talked to him, he was telling me how much fun he had on the cruise with his son and family. He loved his cat Smokie. RIP FROG...YOU WILL BE MISSED!!! 🙏🙏😊😊❤️❤️
