“ David, Josh, and Hannah: I am so sorry about the loss of Laura. She was one of the sweetest and funniest ladies I have ever known. I had the privilege of working with her for several years, and I have so many fond memories of Laura. There was never a dull moment - she kept everyone laughing - I enjoyed her so much! Please know that each of you are in my thoughts and prayers at this sad time. May good memories help you get through the coming days while grieving for her. Much love to all of you.
