“ *To the family,
Lealon was a wonderful friend of mine. When I was a kid he would
call me and I go to his house and we would play and sing. He will be
missed. May the God of all comfort be with each one of you.*

“ Dear Dad,

*why cant they see how much your death has affected me?
as if i am not even there
how could this be?
i never really knew you
i guess thats why i care
mixed emotions
it"s all the same
but i am not
when you died
so did i
i no longer fear death
when death calls my name
and not even cry
do you wonder why?
because you and i
can finally be near
maybe it wasn"t meant for us here on earth
but we will meet again that one fine day
im not afraid to die
i guess now you know why
they cant see how much your death has affected me
as if i am not even there
how could this be?
why cant they see?
i guess they believe i"m not even alive*

*Love Alaways,
Donnie Hall*
