“ With a heavy heart our entire family sends our dearest sympathy for the loss of my admirable Tio. My Tio seemed to always remember our birthdays and call us to wish us a beautiful day. I will miss hearing his pleasant voice and making us laugh. My beloved Mother, Eva, is extremely sadden that you are no longer with us, but is at comfort that you are no longer in pain. You are in a devine place, where pain does not exist and you will have eternal peace. Your are gone physically however your spirt will remain with us always. You have joined our beloved Grandmother, Socima, to accompany the Angles that will continue to look after us. We stand next to every family member and a joined in their pain.
