“ I love you mommy. So very much. I miss you dearly. I know you're up there getting to know your son and Kristy and my baby girls. It hurts though that you're not still here with us. It just doesn't seem real. I know it is though because I wouldn't be hurting this bad if it were a dream. Give Kaleigh a kiss from me and her bubba. Tell her we love and miss her. Then get her to give you kisses from us. We love you and will always miss you dearly. Love, Kim and Blake
