“ Linda (Suzie, Sissy, & crazy Granny), you are going to be missed. I know you are now with the ones you were missing and that you all are waiting for the rest of us to join yall. Your memory will be cherished as we continue to share our stories of the times when we were all hanging out and of all the stuff we done. Music was always one of my favorite things we shared. You were someone that became family to me, more than just a friend. Till we meet again may you R.I.P. Love Tina
