“ To Sister Lisa family, she was the very heart and soul of her family. She was the life and center that everyone circled and came to for comfort and help. She was proud of all of you, she talked about all the wonderful things everyone did. Also, as one of my sons said once his other mother! I couldn't have picked anyone better! She had a warmth and caring that everyone felt. She was truly a blessed woman! I have missed talking to her and eating pea salad at her house. I will miss her for the rest of my life. This place will be poorer without her here. Thank you, Lisa for being a wonderful human being and friend! Your friend, Janice

For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.

You were my Moms best friend and for that I am very grateful. I love you and will miss you forever. Please save a seat for me on Gods porch (next to my mom, Grandma Ruth, Barbara Gale, Ruth) I?ll bring the coffee.
