“ I am so saddened to learn of Lola's passing. We shared over 50 years of friendship. We've shared the good, the bad and the ugly times. But, most of all our laughter was paramount. Lola was one of the strongest, most determined individuals I've ever know. She possessed unrelenting resolve. Very few women from her generation set out on their own knowing she would succeed or die trying. And succeed, she did. I have always had the greatest of respect for her. I will carry that respect and the gift of our friendship for all the days of my life. Rest in peace Lola.

“ My deepest, heartfelt condolences to the family. Lola was one of a kind and will be missed by many. She was at the top of the game in floral design. I have seen very few that could come near to the beauty of her designs. Again, she was a special person. Her memory will live on in the hearts of the many who cared for and loved her. May knowing this help bring peace to her family.
