“ *We were so sorry to hear about Mae's passing, but we know she is in a better place and she and Henry will be together again. We loved knowing Henry and Mae over the years. We had some really good times with them on our "Reynolds Outings" and just visiting each other. They were both special people. We are sorry we can't attend Mae's service, but we have a conflict that prevents us from attending the service. Our thoughts and prayers are with your family.*

*Love and prayers,
