“ I knew Maria from work. I picked this candle because it was the brightest. It makes me think of her. When I saw her she usually had a smile on her face to brighten the room. Please know you are in my thoughts and prayers.

“ My prayers are with you family during this time of grief. Maria and I sat side by side at work until the day she began to work from home. Anyone who had the chance to meet her was truly blessed. There's one thing I know for certain is she loved her family. She especially found joy with her little great nephew. She will be missed!
