“ Dearest Family, I am so sorry for the loss of Faye, I was able to visit with her only 3 weeks ago, where I found her to be as always sweet loving and kind, she knew who I was that day and was very happy to have Brooke and Lynwood by her side. We talked for a little while and when I left her, (still with a big smile) she said I love you and that was something she always made clear, she was always so very present to be around and you could always tell she loved the Lord, that too she always made clear. She was always one of my favorite people and I am so sorry I was unable to attend her service, I hurt my back early in the week and have been sick since. I have had some back problems over the years and I know that I should not try and over do, but as most of us Kerby's do I tend to, do too much when I try and do any thing, so Lynwood, Jennifer, Brooke, Olene and everyone else I am so sorry for all our loss and you will and have been in my thoughts and prayers. I love you all and pray Gods guiding hand on you lives in the days and weeks ahead, I hope to see you soon. Love and GOD BLESS YOU ALL. Paula Smith-Crowell
