“ *I remember so well the first time I met Mike and it was at Jacks in RB and to aggravate I made fun of his yellow pick up. He figured me out really quick. Not long after that we were inseparable for years we were very close friends. So close I would kid and say he was going to be my maid of honor if I ever got married. He was the brother I never had. Oh the times spent on that hill in belgreen. As we got older we grew apart. Time came and went and I and think of all the memories. My heart breaks for you and your family. I love Katie like she is mine. I will continue to pray for all of the davis family and all of mikes friends.*
