“ Dear Denise,
I was so sorry to hear about your precious mother. She was one in a million! So intelligent, talented, sweet, kind hearted, helpful & fun. Those are only a few examples of the attributes of that fine lady. I would run into her and your Dad in Florence occasionally throughout the years...always together...always smiling and friendly. You were their little princess and I'm sure they were good grandparents as well. May the sweet memories you have of your dear Mother help sustain you. I will never forget either of my parents but good memories are to cherish. You and your family are in my prayers.
Love,
Bev

“ I am deeply sorry for the loss of your mother. Please know that you are never alone. God promises at Psalms 34:18 that he himself will be near to those with a broken heart and a crushed spirit. I pray that God brings you much comfort and peace during this difficult time. Very soon he will remove death once and for all and give us the opportunity to see our loved ones again for countless generations of time. (Revelation 21:4).

“ Myra was a special lady and friend. She and Hal were two of the first people I met when we married. I always enjoyed conversing with her and the times we worked together at the store. She had a way of putting things in perspective. I know her family and friends will miss her. Treasure the good times.
