“ I'm so sorry for the country to lose such a man. Dood was my hero. We served in the service at the same time, plus my two brothers and brother-in-law were in at that time. I know he went through a lot of torment during his capture. We loved him and his family. Best wishes.

“ Our Prayers and Sympathies are with you. I understand what you all are going through, just gave up my father a month ago, he was 89. Things are much better for Dood now he is with our Father in Heaven, is pain free and celebrating life at its fullest. Just remember you did not lose him, he just changed his address!
