“ *To the Family::
After having read about loved one in the obituary, it brought to mind the promise that the Bible holds out at
Revelation 21:3,4 where it says that the Grand Creator Jehovah God will wipe away sickness and death forever. (Psalms 83:18) It is at that time all the pressures of this world will be gone and people can be happy and enjoy life like we were created to do. I am sure that your loved one; and many other people, would enjoy living at such a time and that is what Jesus' words promise:
"Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out."
(John 5:28,29)
Many families like yours will reap rich blessings and be reunited with their lost loved ones.(John 17:3)
We truly hope these scriptures can be of comfort.*
