“ I?m so sorry for your loss. Your mother was a sweet lady. Before my mother passed away y?all had a yard sale and mom bought a large crockpot from your mother.

Mom was talking about that crockpot the last she was alive. She was bragging about how much she had used it for stews and she could feed everyone with just one crockpot that she found at the yard sale your family had.

We will be praying for each of you during this hard time of life.

If there?s anything we can do to help you with anything please feel free to reach out to me.

A friend of your mother and family.
