“ Dear Peggy Family,
Although I did not know Wallace personally, I was encouraged with her resolve and faithfulness to not only be a member of our society but also her passion for history and family as evidenced by her service. She is missed of course by your family but also our society. You all are in our thoughts and prayers. If we can be of any assistance please let us know.
Blessings, Sam Massey, 2023-2025 National Chaplain, The Huguenot Society Founders of Manakin Colony in Virginia

“ My deepest condolences to the family.
May no one laugh at the family when tears fall
they way Ladon laughed as my dad was
lowered into the ground after his death
