“ Bud earl was my uncle and like a father figure to me he was always there for me know matter what I could always count on him he taught me to respect and treat others how I would want to be treated and I hope that one day I will be half the person he was he had a heart of gold and was the best person and uncle I could have asked for and he was my hero my role model and I wouldn't have trade him for the world. I love you uncle bud and I know your always gonna be watching over us and protecting us your physical body may not be here anymore but your spirit will care on and we will carry you in our hearts forever.
