“ Dad I love you very much. I feel at peace because I know you are in a better place. I know now that you can walk and be how you were before you had your stroke so many years ago. I want you to know that you taught me alot in life. You were there for me in very difficult times. You also taught me to work hard in life for things I want. Dad I was very proud God chose you to be my dad. I had the best dad in the World. I love you.

Love Always and Forever,

Shamu your Baby girl.
